*Shadows of Nyn'Dira\**  
*A Storm of Sorrows\**  
*The Brave\**  
*The Child of Skye\**  
*Ashes of the Fallen\**

\*Forthcoming

This is the suggested reader order based on date of release, and then upon timeline of events. Because of the nature of the novellas, which are not necessary reads but do offer insight into the events of the main series, it is recommended to read the series in order of the First Read Through. Once completes, the second read through is preferred.
